

## FRIDAY OCTOBER 26, 2018 CLASSES

### **Knotted Wheel by Lara Lawrence**

Experience: Intermediate

Class hours: 12 Noon to 4 pm (4 hours)

Basket Dimensions: 13" Tall 33" Circumference

Description: Lots of details in this basket! Learn the Josephine Knot, Cherokee Wheels Arrow Weave and a decorative lashing that is completed by going around the rim only once. Color choice of space dyed reed available day of class.

Cost: \$40.00

### **Fall Frenzie by Selena Straughn**

Experience: Intermediate

Class hours: 12 Noon to 9 pm (8 hours)

Height: 10" W x 13" L x 6-1/2" Tall (9" w/  
handles)

Description: Start this basket with a woven bottom with fillers. This basket has several techniques --- 3 rod wale using 2 weavers at a time, 4 rod wale, start / stop weaving, overlays and Cherokee Wheels. Dan-dee handles will be added to the traditional rim. Color as shown.

Cost: \$50.00

## Wooly Tree by Susan Nonn

Experience: All Levels

Class hours: 12 Noon to 4 pm (4 hours)

Height: **Choice of 18" OR 24"**Tall

Description: Students will use 100% felted wool to create their very own wooly tree. You will learn how to cut fringe, spin branches, and assemble your tree. The tree is designed to have space between rows for branches to hang and display small ornaments or your collection of favorite miniature baskets. You will be so delighted you will want to create a forest of trees to keep or give away. Students will receive a handout of where to find/buy all the necessary material.

Cost: \$45.00 for 18" Tall Tree OR \$55.00 for 24" Tall Tree

## Sheraton By Selena Straughn

Experience Level: All levels

Class Hours: 5 pm to 9 pm (4 hours)

Basket Dimensions: 10" Wide x 13" Long x 6" High

Description: This basket is started by inserting spokes in the triangle wooden base with a rounded front and wooden ball feet. Weaving will be done using start / stop rows, continuous weave with a step up and an emphasis on shaping to keep the corner shape. Cherokee wheels will be added using space dyed reed across the front. Standard rim is lashed using dyed cane. Two color choices will be available the day of class.

Cost: \$ 45.00

## Spiral Rim Gourd Bowl by Susan Nonn

Experience Level: All levels.

Class Hours: 5 pm to 9 pm (4 hours)

Description: This class offers the student an opportunity to learn several techniques while creating a decorative gourd bowl. Students will start with a bowl already cut, clean, and drilled. Then using vinyl masks and alcohol inks students will color their bowl and learn how to enhance the coloring with 93% denatured alcohol. To finish the bowl a seven-strand sea grass rim will be sewn on the edge with a coconut button. The instructor will demonstrate how to draw and cut the spiral and provide a written tutorial of the steps.

Cost: \$ 45.00

## Abbie Grace by Lara Lawrence

Experience Level: Intermediate

Class Hours: 5 pm to 9 pm (4 hours)

Basket Dimensions: 14" X 5- 1/2" X 12" tall

Description: Lots of techniques are used to weave this basket. You will weave a filled bottom, start and stop weaving, decreasing rows, twining, triple twining, diamond weave and decorative lashing to complete this beauty. ***You may make 2 color selections from the following when registering: purple, green, burgundy, brown.***

Cost \$32.00.
